

VROOZI MARKETPLACE

AI-powered Marketplace for B2B purchasing

Access to thousands of suppliers with contracted pricing, accessible from ONE easy-to-use platform

DIGITAL PROCUREMENT FOR THE MODERN WORKFORCE

Purchasing departments in organizations face a constant pressure to reduce transactional and operational costs, improve usability in their procurement systems, and generate cost savings in their procurement operations. While organizations have taken steps to implement procurement systems and policies to meet these business goals and strategic objectives, there is a growing need to simplify the purchasing experience for end users.

Vroozi's Marketplace provides a one-stop marketplace and e-commerce search engine for your shoppers to locate products and services quickly and efficiently and build a private procurement exchange with your suppliers.
